(for use by single or joint settlors)

Guide to completing the Deed:

To help make it easier to complete this Deed,
look out for the instruction notes.

These notes are for guidance only and do not
form part of the Trust Deed.

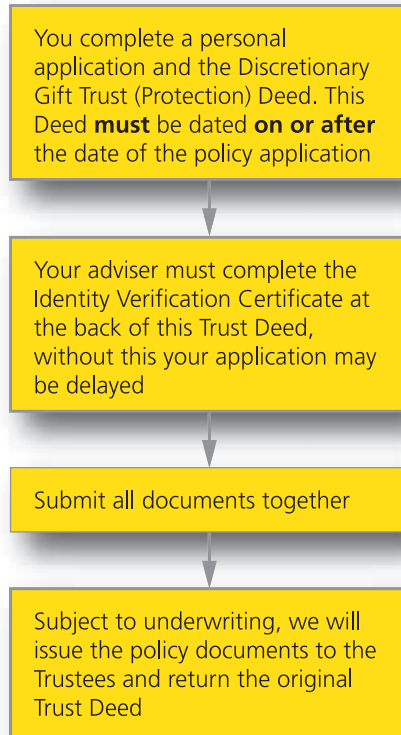

Discretionary Gift Trust (Protection)

New business application process for the Discretionary Gift Trust (Protection)

This Trust is designed for use with Aviva protection policies.

Please note to enable us to set up the Trust and make the appropriate investment(s), it's important that you follow the process below to ensure that all documents are correctly completed and submitted.

Discretionary Gift Trust (Protection)

How to complete the Discretionary Gift Trust (Protection) Deed

Please note that creating a trust can have legal and taxation consequences. You should consult your own professional advisers before continuing.

Please complete the Trust Deed in ink and use block capitals (except for signatures) and always give full names (i.e. include middle names).

This Deed should be used to place Aviva protection policies and other regular premium Aviva life insurance policies under Trust.

Part A

1. Insert the date when the last person (Settlor or Trustee) signs the document.
2. The first or only Settlor should insert their full name alongside (Settlor 1 full name) and then their full address alongside (Settlor 1 address).
3. If there are two Settlers, then the second Settlor should insert their full name and their address alongside the appropriate (Settlor 2) sections.
4. Insert the full name and address of any Additional Trustee you are appointing alongside (full name of Trustee) and (address of Trustee). You are automatically a Trustee, so you don't have to include your own name again. The Trustees (including you) are responsible for administering the Trust.

We strongly recommend that you appoint at least one Additional Trustee.

Part C Schedule

Either complete section (1) or (2), but **not both**:

1. If you are gifting an existing policy to the Trust, please insert the Policy number in section (1).
2. If you are applying for a new policy to be written under Trust, insert the application date and type of policy in section (2).

Part D Definitions

Default Beneficiaries. Insert the names of the Beneficiaries (your children or grandchildren, for example) you want to benefit from the Trust, and the share each is to receive. The shares must total 100%. These Beneficiaries will only benefit if no other appointment is made within the trust period (80 years). You should insert only names i.e. not a beneficiary clause.

Part E Principal Trust terms

If your policy includes Critical Illness or Mortgage Payment Protection Benefit(s) and you do **not** want to benefit from those then delete Section E (1).

Please note that if you delete this section and subsequently suffer from a critical illness or make a mortgage payment protection claim, you will NOT benefit from any claim proceeds. These proceeds will be held by the Trustees for the Beneficiaries.

Part G Signatures

1. You should insert your full name(s) alongside (Settlor 1 name) and (Settlor 2 name) as appropriate and sign the Trust Deed.
2. Your signature(s) should be witnessed by an independent witness who is not party to the Trust (i.e. not a Settlor or a Trustee). That witness' name and address should also be inserted.
3. Each Additional Trustee you are appointing should insert his/her name alongside (Original Trustee name), and sign alongside (signature of Original Trustee).
4. Each Trustee signature should be witnessed (as with the Settlor above) by an independent witness.

Important notes

1. Anyone thinking of using the Discretionary Gift Trust, or doing anything under the provisions of the Trust, must rely on the advice of their legal or financial advisers. We would urge you to seek appropriate professional advice before proceeding. This is important for a number of reasons:
 - Creating a Trust can have taxation as well as legal consequences.
 - Once the Trust has been created it cannot be revoked.
 - The Trustees have a special duty to the Beneficiaries and the misuse of a Trust power by a Trustee can make him/her personally liable for any resulting loss to the Beneficiary.
2. Any references to tax treatment for the Discretionary Gift Trust are based on Aviva's understanding of legislation and HM Revenue & Customs practice at the time of publication. Both of these are likely to change in the future, and a liability to tax may arise under an existing arrangement. Every care has been taken as to accuracy, but it must be appreciated that neither Aviva nor its representatives can accept responsibility for loss, however caused, suffered by any person who has acted or refrained from acting as a result of material published.
